Mr. Timothy H. Dickens, Ph.D.  
Authorized Agent for  
Associated Registrations  
c/o Scientific Coordination, Inc.  
4629 Cherry Valley Drive  
Rockville, MD 20853-1110

**Subject: Acceptance of Amended Reregistration Label**  
**Product Name: DEET PLUS® COMPOSITE SPRAY II INSECT REPELLENT**  
**EPA Registration Number: 54287-13**  
**EPA Decision Number(s): D414075**  
**Your E-Resubmission Dated June 26, 2013**

Dear Mr. Dickens:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the referenced product in connection with the **RED for MGK® 264 Insecticide Synergist**, and has concluded that your submission is acceptable.

In addition, please note that the record for this product currently contains the CSF listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated November 4, 2011

**PLEASE NOTE:** This product is not being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

A copy of your label stamped "Accepted" is enclosed for your records. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with section 6(e) of FIFRA.

If you have any questions about this letter, please contact Mr. Carmen J. Rodia, Jr. at (703) 306-0327 or via e-mail at [Rodia.Carmen@epa.gov](mailto:Rodia.Carmen@epa.gov) or Mr. Richard J. Gebken at (703) 305-6701 or via e-mail at [Gebken.Richard@epa.gov](mailto:Gebken.Richard@epa.gov) during the hours of 9:00 A.M. to 5:30 P.M. EST.

Sincerely Yours,

Richard J. Gebken  
Product Manager (10)  
Insecticide Branch  
Registration Division (7504P)

Enclosure: Label Stamped "Accepted," dated November 14, 2013

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### USE RESTRICTIONS

Do not contaminate food or feedstuffs.

Except when applying this repellent product to humans or equines, do not allow adults, children, or pets to enter until sprays have dried.

Except when applying this repellent product to humans or equines, do not apply this product in a way that will expose adults, children, or pets, either directly or through drift.

Except when applying this repellent product to humans or equines, only protected handlers may be in the treated area during application.

Application is prohibited directly into sewers or drains, or to any areas like a gutter where drainage to storm sewers, water bodies, or aquatic habitat can occur. Do not allow this product to enter and drain during or after application.

### READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL.

#### {For human use product packaged as a liquid (rub-on):}

Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product. **Do not** use under clothing. **Do not** apply near eyes and mouth. Apply sparingly around ears. **Do not** apply over cuts, wounds or irritated skin. **Do not** allow children to handle this product, and **do not** apply to children's hands. When using on children, apply to your own hands and then put it on the child. **Do not** apply more than 3 times per day to children ages twelve (12) and under. Frequent reapplication and saturation is unnecessary for effectiveness. For ticks and chiggers, also apply to shoe tops, socks and around openings in clothing. Wash hands with soap and water promptly after use. After returning indoors, wash treated skin with soap and water or bathe. This is particularly important when this product is used repeatedly in a day or on consecutive days. Wash treated clothing before wearing it again.

NOTE: Will not damage cotton, wool or nylon. **Do not** apply on or near acetate, rayon, Spandex or other synthetic fabrics (other than nylon), furniture, plastics (such as eyeglasses and watch crystals), leather and painted or varnished surfaces (including automobiles). [Avoid contact with bows and guns. Allow repellent to dry before handling bow or gunstock.] **Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, rinse skin immediately with plenty of water for 15-20 minutes, and call a poison control center or doctor for treatment advice. If you go to a doctor, take this repellent product with you.**

#### {For human use product packaged in a pump spray:}

Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product. **Do not** use under clothing. **Do not** spray directly on face. If used on the face, spray on palm of hands first and then apply sparingly to face. **Do not** apply near eyes and mouth. Apply sparingly around ears. **Do not** apply over cuts, wounds or irritated skin. **Do not** apply to children's hands, and **do not** apply to children's hands. When using on children, apply to your own hands and then put it on the child. **Do not** allow children to handle this product. **Do not** apply more than 3 times per day to children ages twelve (12) and under. Frequent reapplication and saturation is unnecessary for effectiveness. For ticks and chiggers, also apply to shoe tops, socks and around openings in clothing. Wash hands with soap and water promptly after use. After returning indoors, wash treated skin with soap and water or bathe. This is particularly important when this product is used repeatedly in a day or on consecutive days. Wash treated clothing before wearing it again. NOTE: Will not damage cotton, wool or nylon. **Do not** apply on or near acetate, rayon, Spandex or other synthetic fabrics (other than nylon), furniture, plastics (such as eyeglasses and watch crystals), leather and painted or varnished surfaces (including automobiles). [Avoid contact with bows and guns. Allow repellent to dry before handling bow or gunstock.] **Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, rinse skin immediately with plenty of water for 15-20 minutes, and call a poison control center or doctor for treatment advice. If you go to a doctor, take this repellent product with you.**

#### {For equine use product packaged in a pump spray:}

To repel the insects listed on the front panel, hold sprayer 6 to 12 inches from animal and spray on the areas where insects are observed. To apply to face, spray on a clean cloth and rub on. Apply in early morning or at dusk for best results. Repeat every 24 hours or as directed by a veterinarian. Frequent reapplication and saturation is unnecessary for effectiveness. **Do not** apply near eyes and mouth. Apply sparingly around ears. **Do not** apply other insecticides

4/7

or repellents when using this product. **Do not** spray in enclosed areas. **Do not** apply under wraps or bandages. **Do not** spray directly onto face. Wash thoroughly with soap and water after handling. Wash contaminated clothing before wearing it again. NOTE: Will not damage cotton, wool or nylon. **Do not** apply on or near acetate, rayon, Spandex or other synthetic fabrics (other than nylon), furniture, plastics (such as eyeglasses and watch crystals), leather and painted or varnished surfaces (including automobiles). Do not use on horses intended for slaughter. Not for use on humans. **Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, take off clothing, wash treated skin and call your poison control center or doctor [or veterinarian] for treatment advice. If you go to a doctor [a veterinarian], take this repellent product with you. [This product is for use on equine only. Do not use on cats or dogs.]**

#### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal. **Pesticide Storage:** Store this product in its original container in a cool, dry (preferably locked) place that is inaccessible to children and animals. **Container Disposal:** Nonrefillable container. Do not reuse or refill this container. If empty: Offer for recycling if available or place in trash. If partially filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

#### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

{For human use product packaged as a liquid (rub-on):}

**CAUTION:** Harmful if swallowed or inhaled. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash hands thoroughly with soap and water after handling, and before eating, drinking, chewing gum, using tobacco or using the toilet.

{For human and equine use product packaged in pump spray:}

**CAUTION:** Harmful if swallowed or inhaled. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash hands thoroughly with soap and water after handling, and before eating, drinking, chewing gum, using tobacco or using the toilet.

#### ENVIRONMENTAL HAZARDS

To protect the environment, do not allow pesticide to enter or run-off into storm drains, drainage ditches, gutters, or surface waters. Applying this product in calm weather when rain is not expected for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

#### FIRST AID

If Swallowed	<ul style="list-style-type: none"><li>• Have person sip a glass of water if able to swallow.</li><li>• Do not induce vomiting unless told to do so by the poison control center or doctor.</li><li>• Do not give anything by mouth to an unconscious person.</li><li>• Call a poison control center or doctor immediately for treatment advice.</li></ul>
If In Eyes	<ul style="list-style-type: none"><li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li><li>• Remove contact lenses, if present, after the first 5 minutes, continue rinsing the eye.</li><li>• Call a poison control center or doctor for treatment advice.</li></ul>
If Inhaled	<ul style="list-style-type: none"><li>• Move person to fresh air.</li><li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.</li><li>• Call a poison control center or doctor for further treatment advice.</li></ul>
Have the product container or label with you when calling a poison control center or going for treatment. For additional information on this product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-940-4464, Monday through Friday, 9 a.m. to 5 p.m. EST. After 5 p.m., call your poison control center.
